1 nearly missed out because Canberra was not listed on the website. Canberra has a very mobile workforce including university staff, defense, diplomatic, public IT contracting

- 5. Will you be recommending us ? Yes/No

- 6. How did you hear about us ?

Internet search, most of the others did not offer a good choice of days being able to move on that day was a big bonus to me

- 7. Other Comments ?

Excellent crew leader, really knew how to pack & mentored the less experienced boys. Lots of lifts & trolleys. He let me know what was going on & was also careful of the walls etc. I move quite often & wish I had heard of your service before. Thanks to your team at the office as well, all in all a stress free move!

Thank you again for using our Services.
